

Anti-Bribery & Anti-Corruption Compliance in Russia

Wednesday, June 14th 2017

From 08:00 to 10:00 (Pacific Standard Time – San Francisco, Los Angeles)

From 11:00 to 13:00 (Eastern Standard Time – New York, Washington DC)

- **Applicable international and local regulations**
- **Responsibility of local management, Russian entities & their shareholders for non-compliance**
- **Step plan of implementing compliance management system in Russia**
- **Case Study**
- **Questions & Answers**

Federal Law No. 273 of the Russian Federation deals with anti-corruption and requires all domestic and foreign entities operating within the Russian Federation to implement extensive compliance programs. The law specifically describes areas where companies should implement programs to ensure compliance. The Law's provisions can be considered to match the FCPA.

The Webinar will focus on practical aspects of compliance and is recommended for Compliance and Legal Officers, GR Specialists and Business Development decision makers, as well as all entrepreneurs considering Russian market entry.
